The Parent-Babe day will be set up for less mobile children. If you are a family who has children over and under two you are welcome to come on all of the days.

Parents with infants: Our clothing swap falls the day after the Best Babies clothing swap. As a result we have a lot of infant clothing to give away. Please come take some, even if you do not have anything to donate.

Please welcome our new practicum student Jessica. You can view her information card on the sign in table, or have a chat with her.

HEADS UP: starting June 25th, for July and August the drop in will be from **2:30pm– 4:30pm.**
